#TAKESANATION

In line with the O&L Group Purpose "Creating a future, enhancing life" and Vision to be "a catalyst for positive change, creating new realities and fulfilling dreams", NBL has embraced the 'new world' through its newly launched #TakesANation campaign that is aimed at encouraging responsible behaviour. Launched by NBL Managing Director, Marco Wenk, "the #TakesANation campaign is a call-to-action to Shop Responsibly; Drink Responsibly; Socialise Responsibly; Entertain Responsibly, and Enjoy Responsibly."

A SOFT-DRINK TO QUENCH THE THIRST!

We also supported government's Homeless Shelter Initiative with beverages worth N\$100, 000 as well as supporting road block officers in the central region of Namibia with 130 cases of our McKane range.

SANITIZER AND MASKS TO SHEBEENS

As a very important stakeholder of NBL, we strengthened the Namibia Shebeen Association's (NASA) ability to empower local shebeens with sanitizers and masks to curb the spread of COVID-19.

SUPPORT FOR THE HOMELESS DURING COVID-19

As a proudly Namibian corporate entity, we are humbled to support government with its COVID-19 Homeless Shelter Initiative through donation of our tents. We hope that our small gesture has contributed to uplifting the lives of those affected.

LEFA SUPPORT STRENGTHENED

We are pleased to strengthen our relationship with Cab App service provider, LEFA, with an extension of our current partnership agreement, to boost its marketing and operation capabilities during these challenging times.

2020 OKTOBERFEST CANCELLED

Sadly, the annual Windhoek Oktoberfest has been cancelled for 2020 in support of curbing the spread of the COVID-19 virus and adhering to regulations put in place. We look forward to bring you an even bigger and better experience in 2021!

The tradition of quality.
